St Modwen Park, Chippenham – 452,000 sqft

Project:
St Modwen Park, Chippenham – 452,000 sqft

Contractor:
Winvic Construction Ltd

Architect:
UMC Architects

Value:
£5mm

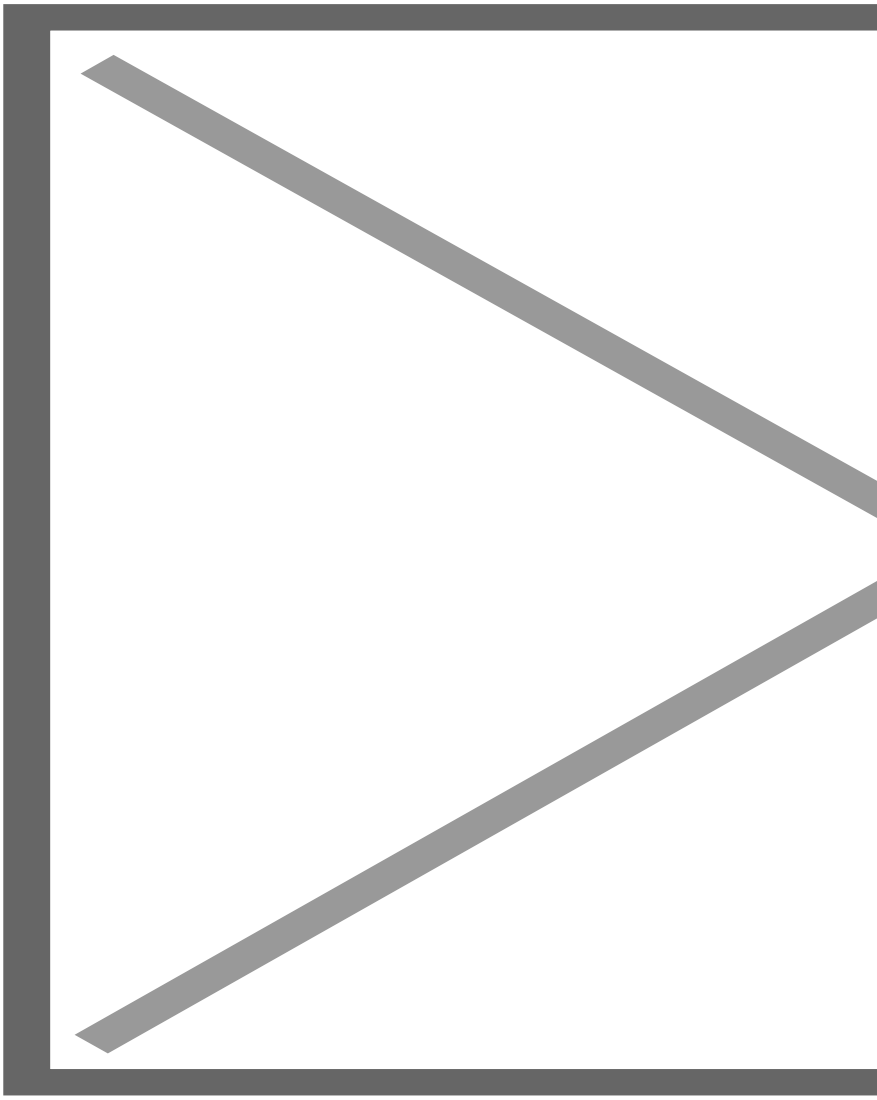

Location:
Chippenham

Client:
St Modwen

We were appointed by Winvic Construction and St Modwen Logistics to design, supply and install roof and wall cladding to units 2 & 5 at St Modwen's logistics park in Chippenham.

The 2 units totalling over 450,000 sqft comprised Euroclad Elite twinskin roof and wall cladding, Brett Martin rooflights and Trimo composite wall panels.
