

An aerial photograph of a large, modern industrial building with a white roof and blue cladding. The building is situated in a commercial park area with parking lots and roads. A semi-transparent blue box is overlaid on the left side of the image, containing the text 'Crewe 240'.

Crewe 240

Project:
Crewe 240

Contractor:
Readie Construction Ltd

Architect:

Value:
£1.3m

Location:
Baseford West, Crewe

Client:
First Panattoni

Appointed by Readie Construction Ltd, we were delighted to be working with First Panattoni on phase 1 of this new development in Crewe. Crewe 240 occupies a prominent position on Crewe Commercial Park, a significant logistics development situated close to junction 16 of the M6.

Unit 4 is a 238,000 sqft unit on Jack Mills Way in Crewe. We carried out the design, supply and installation of CA Twintherm roofing and cladding using 32/1000, Arc & MR300 profiles.
