

A photograph of a large, modern industrial building at dusk. The building has a white facade with several windows, some of which are illuminated from within. The sky is a deep blue, and the ground in the foreground is paved with yellow parking lines. A semi-transparent blue rectangle is overlaid on the left side of the image, containing the project title.

Plots 110 & 120, Network 46

Project:
**Plots 110 & 120, Network
46**

Contractor:
Lindum Construction Ltd

Architect:
UMC Architects

Value:
£.900 m

Location:
Swinderby, Lincolnshire

Client:
St Modwen Logistics

Working with Main Contractor, Lindum Construction we were appointed to carry out the roofing and cladding works on phase 1 of a major new development site for St Modwen Logistics.

Phase 1 comprises two buildings, prelet to DHL & NIC. Our scope of works compromised the full cladding package using CA Twintherm throughout along with all siphonic drainage & access systems.
