

An aerial photograph of a large industrial development with several large warehouse-style buildings and a parking lot. A semi-transparent blue rectangular overlay is placed over the left side of the image, containing the project name in white text.

Nunnery Way, Worcester

Project:
Nunnery Way, Worcester

Contractor:
Benniman Construction Ltd

Architect:
UMC Architects

Value:
£.95m

Location:
Worcester, Worcestershire

Client:
St Modwen Logistics

Working with Benniman Construction Ltd at Nunnery Way in Worcester we carried out the cladding on 3 buildings for developer St Modwen Logistics.

The development totals almost 100,000 sq ft, we are using CA Twintherm roof and wall cladding systems.
