Sixways Park, Worcester

Project:
Sixways Park, Worcester

Contractor:
Bowmer & Kirkland Ltd

Architect:
Associated Architects

Value:
£1.5m

Location:
Worcester, Worcestershire

Client:
Richardson

Working with Bowmer & Kirkand we carried out the roofing and cladding envelope package on to 2 new industrial units at Sixways Park totalling over 180,000 sq ft.

Our works included the design and install of Euroclad Elite roof and wall system with Brett Martin Roofing and Kingspan Wall-Lite panels.
