

An aerial photograph of a large, modern industrial building with a white roof and grey walls. The building is surrounded by a parking lot with several cars and a road. In the background, there are trees and residential houses under a blue sky with some clouds. A semi-transparent blue box is overlaid on the left side of the image, containing the project title.

Unit 1, St Modwen Park, Gatwick

Project:
Unit 1, St Modwen Park,
Gatwick

Working once again with Readie Construction & St Modwen we helped deliver this new 100,000 sqft facility which is pre-let to Gatwick Airport Limited.

Contractor:
Readie Construction Ltd

We carried out the roof and wall cladding envelope using CA Twintherm systems.

Architect:
UMC Architects Ltd

Designed to provide significant improvements to Gatwick Airport's efficiency and handling times, the cross-docked unit will feature 14 dock level loading doors, nearly 20,000 sq ft of office space and a 50m yard depth.

Value:
£.75m

Location:
Gatwick

Client:
St Modwen
